Presentations

7. Annual Police Recognition Awards

Police Chief Brown, the Police Department holds an Annual Awards Banquet where the Recognition Awards are presented to the Officers. The City Council requested that these Officers be recognized at a Council Meeting also.
The Life Saving Medal is awarded to an employee or a citizen that renders first aid, rescues or performs commendable action to save the life of another that would have likely died if not for the actions of the recipient. In recognition of their commendable actions in 2015 the Life Saving was presented Sergeant Mike Mouat, Detective Dean Benjamin, Officer Matt Gomez, Officer Katie Rabago and Officer Christian Coley. Chief Brown briefly explained the incidents.
The Police Cross is awarded to department personnel who distinguish them by acts of bravery or heroism while engage in personal combat with an armed adversary in the face of imminent personal danger to their own life above and beyond the normal demands of duty. Chief Brown awarded the Police Cross to Officer Tyler Hall, Officer Matt Gomez, Officer Christian Coley and Detective Brian Cunningham.

Police Chief Brown, recognized recently promoted Lt. Jeff Davis and congratulated him for his completion of the Sherman Block Supervisory Institute.

Police Chief Brown, recognized Dean Evans on officially retiring from the Hemet Police Department after 25 years of service. Chief Brown gave a brief history of the career of Dean Evans.

Mayor Wright, thank you for your service. Mayor Wright had the opportunity to serve as co-board members of T.H.E. Center. The City Council is proud of the men and women that serve our community. Thank you for what you do above and beyond every day.
The City Council thanked Dean Evans for his service.

City Council Business

g. Authorize the City Manager to approve the change order and authorize payment of the increased contract balance due to Andreson Architect, Inc.

h. Authorize the Deputy City Manager/Administrative Services Director to establish a supplemental appropriation in General Facilities Fund 316.

Item Nos 12, 14, 15, 16 and 17 were removed from the Consent Calendar. Mayor Pro Tem Raver moved and Council Member Youssef seconded a motion to approve the remaining Consent Calendar items as presented. Motion carried 4-0.

Item No 12
Council Member Milne, asked about the bidding process and how many other bids were received.

Kristen Jensen, Public Works Director, the last formal bid was conducted in July 2015. The lowest bidder was Marina. The only other bid was received by Adame. We have been having problems with Marina and were considering terminating their contract when they requested to end their contract. Adame offered to accept the job at their bid rates. There is a slight increase due to added duties in the scope of work. Mayor Pro Tem Raver moved and Council Member Milne seconded the motion to approve this item as presented. Motion carried 4-0.

Item No. 14 – 17
Council Member Milne, asked for clarification on this assessment.

Kristen Jensen, Public Works Director, Lighting & Landscaping Maintenance Districts are set up to be a mechanism to fund the maintenance approved by the development. Established costs for streetlighting and landscaping are assessed specifically to the properties that benefit and based on the number of parcels within the district boundaries.

Council Member Milne, confirmed that this assessment is for a specific area not the entire City.

Mayor Wright, asked who does the work.

Ms. Jensen, all of the Landscape Maintenance Districts are contracted out except Heartland which is done by City crews. City crews also maintain the City parks.

Mayor Pro Tem Raver moved and Council Member Youssef seconded a motion to approve this item as presented. Motion carried 4-0.

Communications from the Public

William Whelan, Hemet, expressed concern that the public’s distrust in the City Council might make them vote no on Measure E.

Discussion/Action Item

23. Discussion of Fiscal Year 2016-17 Proposed Budget – Deputy City Manager/Administrative Services Director Hurst

Discussion regarding this item, with possible direction to staff

Jessica Hurst, Deputy City Manager/Administrative Services Director, gave the City Council a powerpoint presentation on the proposed 2016-17 annual budget and the budget timing. Conservative revenue projections were used in the preparation of the budget, as well
as, a reasonable level of expenditures to provide necessary services to the community. The proposed budget is consistent with the 5-year plan. The FY 2016/2017 General Fund deficit is $348,518. General Fund Salary and benefits decreased by $1,406,500. The major factors are a decrease of $400,000 for overtime, a decrease of $171,700 for PERS and a decrease of $620,100 for Retiree Medical. The following proposed position changes resulted in a decrease of $456,889: eliminate the Assistant City Manager/Economic Development; add an Executive Analyst; eliminate a Limited Term Sergeant; eliminate a Limited Term Investigator; add a Library Assistant II; and eliminate the City’s Housing Program including a Housing Specialist. The proposed budget has an overall General Fund decrease of $104,540 in Maintenance and Operations. The major factors are: $10,000 decrease in Council travel; $44,000 net decrease in Contract Services; $13,000 increase for an online recruitment/application system; $12,000 decrease in tourism program; and various decreases for one-time projects, including CIP. The proposed budget has an overall General Fund decrease of $160,300 for the Internal Service Funds. The major factors are: $271,900 decrease in City Attorney; $254,900 decrease in IT/Telephone; $298,100 increase in Liability Insurance; and $68,400 increase in Equipment, Vehicle and Facility costs. The proposed budget includes an overall increase in General Fund Revenue of $2,146,807. The major categories are: Sales Tax - $390,000 (3.2%) increase; Property Tax - $1,683,466 (16.4%) increase; and Development Fees - $186,000 (8.2%) decrease. The proposed revenue for the Water Fund is $11,133,300 with proposed expenditures of $9,559,990 (not including CIP). Proposed positions changes are: eliminate Management Assistant and add an Executive Analyst. This budget will include an Emergency Services Fund, previously Emergency Services was allocated with IT, it is proposed for better tracking of reimbursable cost to separate the two functions. The Capital Improvement Plan (CIP) was approved by Council on April 26, 2016. All projects are to be funded through special revenue funds, grants, impact fees, internal services funds, etc. No projects are funded by the General Fund.

**Mayor Wright**, expressed concern with the proposal to eliminate the Housing Specialist. After having the opportunity to see the extensive workload of that position, Mayor Wright asked what money will be lost and who will do the work.

**Ms. Hurst**, there are other options for the programs. The work to wind down the programs will be done by other departments such as Finance.

The City Council discussed the Housing Programs and funding sources.

**Council Member Milne**, asked about the proposed position change in the Water Department.

**Ms. Hurst**, the job specifications allow more analytical tasks to be assigned to the position.

**Council Member Milne**, asked for an explanation for the increase in Equipment Maintenance costs.

**Ms. Hurst**, Equipment Maintenance is an internal service account that will vary from year to year and based on the number of vehicles. In prior years one mechanic was charged to Public Works Administration and should be charged to Equipment Maintenance. Facilities Maintenance is also an internal services account and based on square footage.

**Council Member Youssef**, asked about the decrease in the City Attorney’s costs and if there is a change in their scope of work.

**Eric Vail, City Attorney**, there are a couple of changes this year. The number of slip and fall claims received have reduced. The City Attorney’s office is now serving in a supportive role for negotiations. We are hoping that there won’t be any campaign measures, or other elections costs.
The City Council and staff discussed internal service accounts to provide more clarification to the public. The City Council would like to see a different method use for cost allocation of the internal services departments. The City Council expressed concern that the departments have no control over the internal services costs that are included in their budgets.

**Mayor Pro Tem Raver**, is opposed to the elimination of the Housing Technician and the Housing Programs and feels this is an important part of the City’s economic plan and serves a purpose to the residents especially seniors. Mayor Pro Tem Raver expressed concern with the budget format. In his opinion, the budget doesn’t show the true costs and is therefore deceiving. The information is spread out all over the place and confusing if you don’t have a degree in Finance. Mayor Pro Tem Raver does not expect staff to amend the format this fiscal year, however does expect a completely different budget format next fiscal year.

**Council Member Youssef**, disagreed with Mayor Pro Tem Raver. The budget shows exactly where the money is coming from and what funds are being affected. It would be more deceptive to not show an honest breakdown. There is an executive summary that shows the absolute costs including the year by year increased and decreases.

**Mayor Pro Tem Raver**, with Hemet growing in the future to over 110,000 residents staffing needs has to be discussed. There are going to be significant changes and organizationally we need to be ready to meet those needs.

The City Council and staff briefly discussed the Housing Programs and the City Manager’s recommendation to eliminate the Housing Technician.

---

**City Council Reports**

24. **CITY COUNCIL REPORTS AND COMMENTS**

A. **Council Member Krupa**
   1. Riverside Conservation Authority (RCA)
   2. Ramona Bowl Association
