

## City of Hemet Water Department Backflow Prevention Assembly Testers

Note: The backflow testers identified below are certified by the Riverside County Department of Environmental Health and have also complied with the requirements set forth by the City of Hemet Cross-Connection and Backflow Control ordinance Sec.82-107. The City of Hemet does not endorse the work or performance of these backflow prevention assembly testers and has no responsibility or liability for the work they perform. The work performed is a contractual agreement between the account holder and the backflow prevention assembly tester. The City of Hemet in no way guarantees or warranties the work performed. The responsibility of testing and submittal of a satisfactory testing report is that of the customer. Testers may submit reports for the customer, but this does not release the customer's responsibility of report submittal.
