## Activities:

- What makes you cool? Draw a picture of something cool about you, or something that you do well.

-Baseball Handprint Art: supplies needed are white paper, nontoxic brown and red paint, and red and brown markers. Draw a circle on one side of the white paper to be the baseball. Draw on the 2 half circles for the stitching in red. Dip child's finger into red paint and stamp the print along the stitching. Next, paint your child's hand brown and stamp onto the other side of the piece of paper to make a glove. Once your glove print is dry, draw the webbing between the fingers with the brown maker.
