

# CITY OF HEMET

## 2021-2029 Housing Element Update Online Community Workshop

The City of Hemet is updating its 2021-2029 Housing Element, Safety Element, and adding a new Environmental Justice Element. The Housing Element is a plan to address the City's existing and future housing needs. The Safety Element update will address wildfire, climate adaptation and resiliency, and other risks to the community to ensure compliance with new State mandates. The Environmental Justice Element will promote policies to reduce health risks, environmental pollution, access to public facilities, food access, and safe and sanitary homes.

### The online meeting will focus on:

- City-Wide housing needs & services within the City of Hemet
- Opportunities to provide housing at all income levels in the community
- Identifying constraints to building and accessing housing
- Upcoming community engagement events and opportunities
- Snapshot on the safety Element Update and new Environmental Justice Element
