As a resident of Hemet for 16 years I have been involved in our community for many years. For example, I was on the Committee that developed Hemet's Master Plan. In addition, I was involved in a citizen's effort to keep the Hemet Fire Department. I have also served on my community's Homeowners Association Board for six years. I led a successful effort to protect Reinhardt Canyon from a dense housing development that would have been dangerous for both Reinhardt Canyon and the Four Seasons Community.

I want to bring common sense to the Hemet City Council. I believe the priorities for local government are public safety (police and fire), roads, parks, and quality city planning. I realize the City of Hemet has financial issues. I will work hard to secure grants from state and federal agencies to meet the needs of Hemet.

i would appreciate your support
