## **GENERAL PLAN 2022 PROGRESS REPORT May 9, 2023**

**City of Hemet  
445 E. Florida Avenue  
Hemet, California 92543**

**Submitted by:

The City of Hemet General Plan establishes the fundamental policy framework to guide decisions related to land use and development, public services and facilities, public safety, resource management, recreation, culture, and the overall health and quality of life in the community. The General Plan presents a vision for the City's future, and embodies goals, policies, and strategies to turn that vision into a reality. The City of Hemet adopted a comprehensive update to the General Plan on January 24, 2012 after an extensive community participation effort. The General Plan includes seven mandatory elements (Land Use, Circulation, Housing, Noise, Conservation, Open Space, and Safety) and five optional elements (Community Design, Community Services and Infrastructure, Recreation and Trails, Historic Resources, and Art and Culture.) Additionally, the General Plan compiles the activities, programs, and policies of the City that promote healthy living into a Sustainability Appendix.

Each of the elements describes its purpose, its issues and opportunities, the background information and context for the various topics in the element, its goals and policies, and the implementation programs needed to achieve those goals. Incorporated within each element was Hemet's vision for the future to create an economically sound and sustainable community with a diverse economy, expanded economic opportunities, and a balanced approach to business and development while meeting the housing, recreation, and quality of life needs of its residents.

## I. PURPOSE OF THE GENERAL PLAN ANNUAL REPORT

California Government Code Section 65400 mandates that cities and counties submit an annual progress report (APR) on the General Plan and progress on its implementation to City Council, the Governor's Office of Planning and Research (OPR) and the Housing and Community Development Department (HCD) each year. This document fulfills that mandate and was reviewed by the Planning Commission at its meeting of April 18, 2023 and approved by the City Council at its meeting of May 9, 2023. The previous General Plan Compliance Report submitted to the Governor's Office of Planning and Research (OPR) incorporated data from the period of April 2019 to December 2021. The current report will include a period of December 2021 to December 2022.

The main purpose of the APR is to provide City Council with an update of the City's progress in implementing its General Plan vision. This annual assessment grants to City Council an opportunity to adjust or modify its policies or approach to implementation to ensure that the City meets its stated vision. A secondary purpose of the APR is to fulfill housing element statutory requirements regarding the City's progress in meeting its share of regional housing needs and its efforts to remove governmental constraints to the development of housing in accordance with Government Code Section 65584.3(c) and 65584.5(b)(5). These have separate reporting requirements and forms, which have been submitted electronically by the City prior to April 1<sup>st</sup> of each year.

To assist in the review of the General Plan Progress Report, this report presents the following information:

- Amendments to the General Plan adopted by the City since the comprehensive update in 2012.
- Required and proposed amendments to the General Plan that will need to be prepared within the near-term.
- Demographic and development changes that update the City's community profile.

- General Plan implementation programs that have been completed, are in-progress, or are an on-going activity of the City.
- General Plan implementation programs that have not yet been initiated, but are recommended for initiation within the next year, or as City resources are available.

## II. ADOPTED GENERAL PLAN AMENDMENTS

State law allows the General Plan to be amended four times annually. This allows the General Plan to remain a current document responsive to the community’s needs. Requests for amendments may be submitted by individuals or initiated by the City. Amendments to the Hemet General Plan for the time period of April 2012 through December 2020 are listed in Table 1.

### III. PROPOSED GENERAL PLAN AMENDMENTS

From 2021-2022, there are at least three General Plan Amendments that need to be prepared for consideration by the City Council, pursuant to State law. The city is actively working with a consultant to prepare these updates. On January 25, 2022, the City Council approved General Plan Amendment No. 21-001, updating General Plan 11 (Housing Element) for the 2021-2029 6<sup>th</sup> Cycle. The adopted housing element has been submitted to the California Department of Housing & Community Development (HCD) for final certification.

1. **Amend the Public Safety Element.** In 2018, the State passed Senate Bill No. 1035 which requires the Public Safety Element to be reviewed not less than once every eight years and revised as necessary to address climate change and resiliency strategies. The intention is to identify new information relating to flood, fire, and other climate hazards not available during the previous revision of the safety element.
2. **Update the Housing Element (2021-2929).** State legislation passed in 2017 and 2018, added new requirements for the Cycle 6 Housing Elements, which are required to be adopted by Southern California jurisdictions in 2021. Key features for the Housing Element update include:
  - The proposed update is a comprehensive statement of the City’s housing policies and serves as a guide for the implementation of these policies. As required by state law, the update examines current housing needs, estimates future housing needs, and establishes goals, policies, and programs pertaining to those needs while demonstrating the capacity to accommodate the Regional Housing Needs Assessment (RHNA) allocation of 6,466 new housing units. The RHNA allocation is broken down into very low-, low-, moderate-, and above moderate-income categories based on the most current Median Family Income (MFI) for Riverside County. The City’s RHNA allocation for each income category includes 812 very low-income, 732 low-income, 1,174 Moderate-Income, and 3,748 Above Moderate-Income

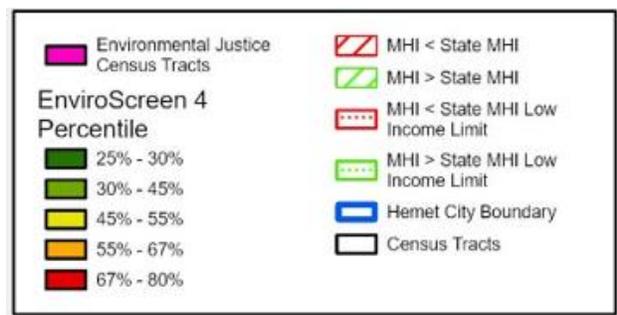

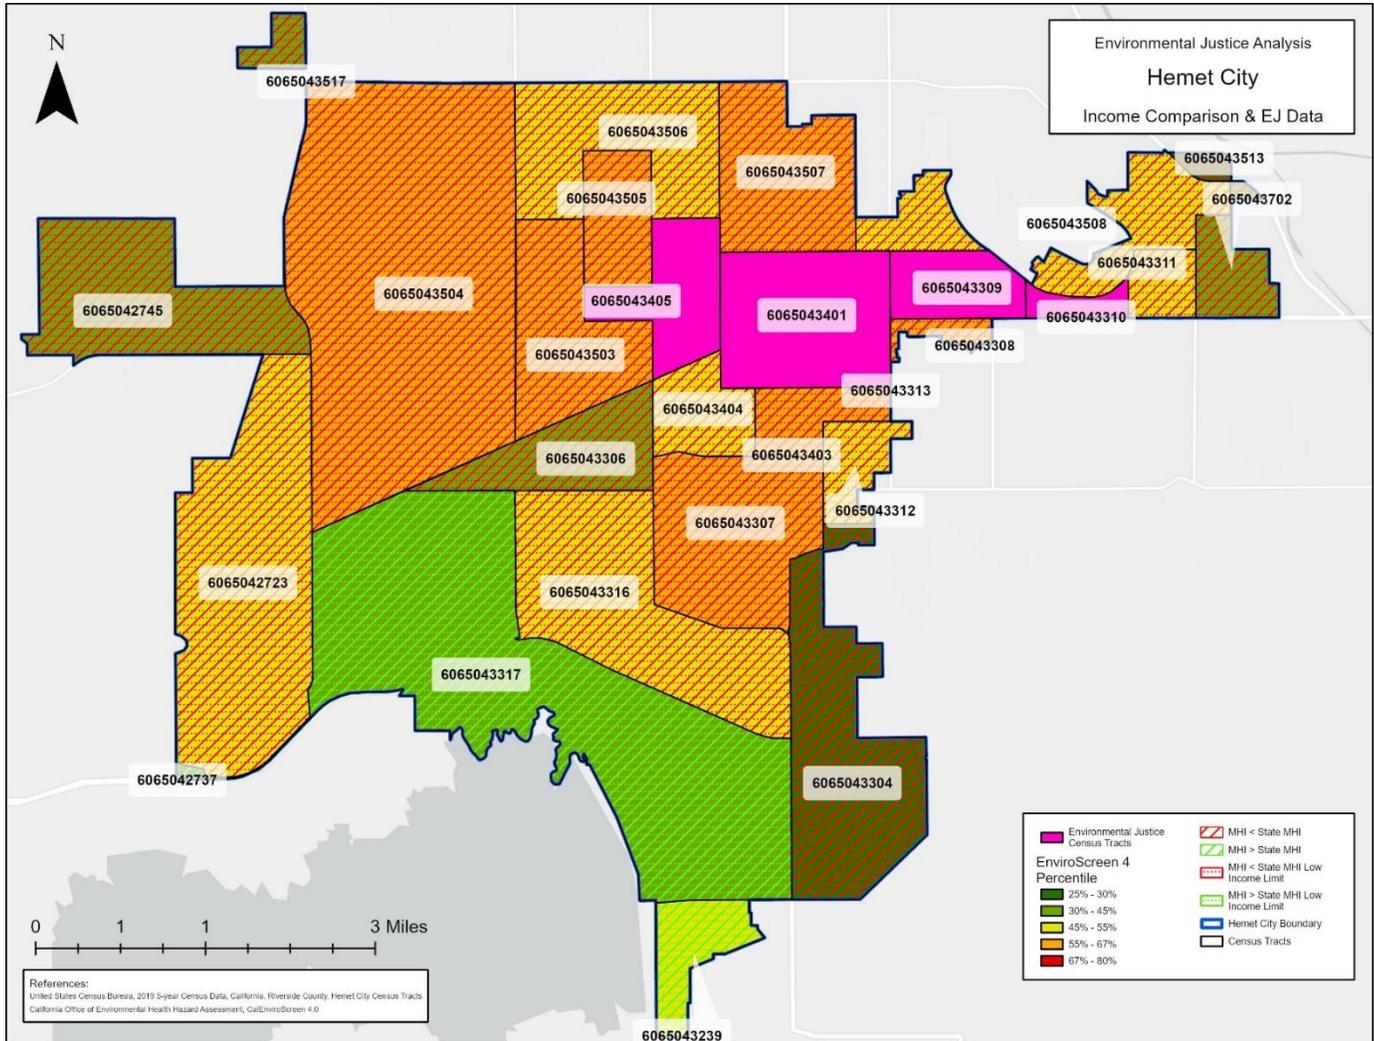

---

residential units. Housing programs are responsive to current and future needs and established within the context of available community, state, and federal economic and social resources, realistic quantified housing objectives, and affirmatively furthering fair housing (AFFH).

**3. Addition of a new Environmental Justice Element.** In 2016, the State passed Senate Bill No. 1000 requiring cities and counties that have “disadvantaged communities” to incorporate environmental justice policies in their General Plans, either in a separate element or throughout the other elements. This update must happen upon the adoption or next revision of two or more elements concurrently. The City of Hemet does contain disadvantaged communities as defined by State law and shown in **Figure 1**. The Environmental Justice Element is required to establish policies and objectives that will accomplish the following in these neighborhoods:

- ❖ Help improve air quality, food access, safe and sanitary homes, physical activity, and public facilities.
- ❖ Improve public facilities access
- ❖ Promote physical activity
- ❖ Encourage civic engagement in the public decision-making process.
- ❖ Nurture education opportunities
- ❖ Foster economic growth
- ❖ Preserve culture
- ❖ Prioritize improvements and programs that address the needs of disadvantaged communities.

## IV. COMMUNITY PROFILE UPDATE

Hemet’s future is linked to its growth. Long-range planning can ensure continuity between development and the community’s vision, goals, and policies. New patterns of development can sustain and enhance Hemet’s economic viability and livability. To assist decisionmakers in its General Plan review and analysis, this section presents a record of Hemet’s growth since adoption of the comprehensive update in 2012. The data in Tables 2 through 5 is taken from the 2013 and 2019 Community Profiles prepared by the Southern California Association of Governments and the United States Census Bureau American Community Survey (ACS) 5-Year Estimate Data Profiles for 2021, and Estimates E-5 Department of Finance, and United States Census Bureau Quick Facts 2022, and California State Income Limits, and Data Quest for school enrollment data to allow for a direct side by side comparison. The tables provide statistics on population and household characteristics for Hemet, education and employment characteristics, and job sector characteristics, respectively. **Please note, where marked in x identifies data not released by source for 2022.**

## V. HOUSING ELEMENT PROGRESS

State law requires that each jurisdiction in California include a Housing Element in its General Plan that establishes specific actions, objectives, and timelines for meeting its State mandated Regional Housing Needs Assessment (RHNA) for each income level. The RHNA is provided to jurisdictions in eight-year cycles. The current cycle is Cycle 6, which covers the time period of 2021 through 2029. Every year the city prepares an annual Housing Element Progress Report that it submits to California Housing & Community Development (HCD) and State Office of Planning and Research (OPR). For historical context, shown in **Table 6** on the following page is the City's progress in meeting the RHNA 5<sup>th</sup> Cycle (October 15, 2013, to October 15, 2021).

**Table 7** of the following page is the City's progress in meeting the current RHNA 6<sup>th</sup> Cycle (October 15, 2021 to October 15, 2029). Table 9 reports on the City's progress in implementing its housing related programs, taken from the Summary of the 2022 Housing Element Annual Report. The 2022 Housing Element Annual Report also includes newly required data on the number of applications submitted to the City production of housing units, the number of applications that were approved by the Planning Commission or City Council, and the number of building permits that were issued. The intention is to monitor whether cities are limiting housing production through its approval processes by comparing the number of housing units applied for to the number of housing units that were constructed. Table 8, shows that 2,893 residential units have been approved for development and are in the near future construction pipeline.

City of Hemet Housing Element Program Implementation**

<b>Name of Program</b>	<b>Objective</b>	<b>Status of Program Implementation</b>
<p>Rental Registration and Inspection Program HE Program H-4c</p>	<p>Administer the City's Rental Registration and Inspection Program</p>	<p>The program was established in 2014 to identify rental dwelling units, to ensure that such units afford tenants a safe and decent place to live, to reduce criminal activity, and to require rental unit with substandard conditions meet and maintain minimum building and housing code standards.</p> <p>Recently, the City of Hemet's Rental Registration and Crime-Free Rental Housing Programs ("Programs") was repealed pursuant to a voluntary compliance agreement with the Department of Housing and Urban Development (HUD) related to a compliance review HUD conducted of the Programs pursuant to Title VI of the Civil Rights Act of 1964.</p> <p>In 2022, this program was replaced with the Rental Property Repair Program. The primary objective of the rental property owner repair program (RPRP) is to promote the health, safety and welfare of residents; and to preserve the rental housing stock within the City of Hemet. Rental property owners who rent to very low to low income typically are struggling with resources to repair or replace vital home systems and consequently, may experience a lower standard of living with inoperable or substandard vital systems.</p> <p>In March of 2023, the City has hired a new Housing Specialist to facilitate manage this program, among other housing programs, such as the neighborhood stabilization program, owner occupied rehabilitation program (OOR).</p>

Development Permit Process HE Program H-2d	Expedite the permit process for housing development applications	The city is actively pursuing new permitting software solutions. After an RFP was facilitated through Permitting Software Solutions, the City is currently reviewing the top three candidates.
Coordination of Entitlement Funding HE Program H-2f	Participate in the Consolidated Plan Process for the Community Development Block Grant (CDBG) Program	<p>On May 12, 2020 the Hemet City Council adopted the 2020-2025 Consolidated Plan &amp; Annual Action Plan for its CDBG Program.</p> <p>Resolution No. 2022-019 :On January 25, 2022 the City ratified the Community Development Block Grant-Coronavirus (CDBG-CV) Hemet Cares Business Support Grant Criteria and Funding Recommendations for Rounds One and Two.</p>
Accessibility for Persons with Disabilities HE Program H-1c	Increase accessibility for persons with disabilities	<p>In 2021, the required that all new construction and remodels of existing structures meet the minimum requirements to meet accessibility standards per the 2019 California Code of Regulations Title 24.</p> <p>The City is currently reviewing previously currently adopted policies and plans in accordance with the City’s ADA/Section 504 Coordinator and American Disability Act. Ongoing.</p>
Health and Safety Inspections of Mobile Home Parks HE Program H-4e	Inspect 5% of the City’s parks annually	The City of Hemet continues to investigate complaints received regarding health and safety violations in mobile home and RV parks located in the City.
Senior Rehabilitation and Repair Grants	Provide 15 grants annually to correct health and safety violations or provide ADA improvements. Maximum grant amount: \$10,000	The city is in the process of rolling out a new Senior Home Repair Program. This grant program can provide financial assistance for home repairs and improvements to senior citizens (62 years or older) and/or disabled citizens who own and occupy their residence. Applicants may not own any property (residential and/or commercial) other than their principal place of residence and cannot exceed the Very-Low to Extremely-Low Income limits (table shown below).

---

Regional Solutions to Housing Issues HE Program H-2b	Participate in Regional Solution to Housing Issues	The City of Hemet has partnered with the County of Riverside to provide down payment assistance to lower income persons in the purchase of their first home (Riverside County 2021 Permanent Local Housing Allocation (PLHA) First Time Home Buyer Program).

## VI. IMPLEMENTATION PROGRAMS – COMPLETED OR UNDERWAY

The General Plan sets the foundation and policy framework for future growth and development. It addresses a range of issues and policies that directly affect every aspect of community life. The City implements its General Plan vision, goals, and policies through the use of many programs, projects, and tools. These implementation measures ensure the overall direction set forth in the General Plan is translated from general ideas into action, and the City’s vision for its future is met. The City has made significant progress in completing its ambitious implementation agenda as shown in Table 10. Implementation programs recommended for initiation in the upcoming year are discussed in Section VII.

Table 10 shows the status of the programs by completed, in-progress, or on-going. The difference between “in-progress” and “on-going” is that projects that are in-progress will be completed at some point in the future and programs that are on-going are part of the daily operations of the City.

Open Space OS-P-28	<b>Groundwater Resources.</b> Protect groundwater resources from depletion and sources of pollution. Participate in the development, implementation, and maintenance of a Groundwater Management Plan program to recharge the aquifers underlying the Planning Area.	Completed On-going	The Groundwater Management Plan is completed. The City participates in its implementation.
Public Safety PS-P-7	<b>Dam and Flood Hazard Mitigation.</b> Identify flood control improvements for existing flood hazards and potential hazards from new development, and establish a schedule and funding sources for improvements.	Completed On-going	The 5-year CIP was originally adopted by City Council in FY14-15. An updated 5-year CIP is adopted annually in conjunction with the City budget
Public Safety PS-P-13	<b>Airport Safety and Land Use Restrictions.</b> Evaluate land use restrictions outlined in the most recent adopted <i>Hemet-Ryan Airport Land Use Compatibility Plan, California Airport Land Use Planning Handbook</i> , and Federal Aviation Administration notice responses for applicability to development projects, and evaluate the appropriateness of subject discretionary development projects.	Completed On-going	GPA19-001 was adopted on May 14, 2019 which brings the General Plan into consistency with the Hemet-Ryan Airport Land Use Compatibility Plan (ALUCP).  All development proposals will continue to be evaluated for consistency with the ALUCP
Public Safety PS-P-16	<b>Fire Department Master Plan.</b> Prepare and maintain a fire department master plan assessed annually and updated every 5 years.	Completed/In Progress	The City adopted the most recent version of the EOP in 2013. As of 2022, the City of Hemet Office of Emergency Management plans to update the EOP in the coming years in conjunction with the Fire Department's Emergency Evacuation Routes Plan.

Community Design CD-P-18	<b>Downtown Sidewalk Shade and Shelter.</b> The City shall increase shade along pedestrian routes within the downtown core, and shall encourage downtown merchants to replace existing storefront brow canopies in need of rehabilitation with newer, thinner, and stronger canopies.	Completed. In-Progress	Provisions included in SP16-001 Downtown Hemet Specific Plan. The Downtown business owners provide upgrades as needed.
Community Design CD-P-21	<b>Pedestrian Linkages.</b> The City shall provide well-defined linkages to land uses of interest within the downtown area. These major points of interest include the Santa Fe Depot and Museum, historic Harvard Street, the Civic Center, Hemet Valley Medical Center, Weston Park, and the proposed metrolink station.	Completed. In-Progress	Provisions included in SP16-001 Downtown Hemet Specific Plan. Funding sought for implementation through grant programs.
Circulation C-P-12	<b>Bikeway Funding.</b> Solicit all possible sources of funding to plan, acquire, and construct bikeways. Sources can include, but are not limited to, development mitigation fees, private foundation grants, and/or funds from federal, state, regional, and local government entities and partnering with community organizations.	In Progress	The Hemet Valle Bikeway Connect program currently underway (CIP 2020-2021 Program) includes installation of bicycle facilities, bicycle detection, bike boxes, bike lockers, bike repair stations, sidewalk, curb, gutter, curb ramps, and transportation mobility stations.
Circulation C-P-17	<b>Prioritize Ongoing Coordination with Transportation Agencies.</b> Hemet will need to continue an active presence on regional agency boards such as RCTC, WRCOG, and the Riverside Transit Agency (RTA) to ensure that the City’s needs and transportation priorities are addressed, particularly in regard to the construction of Highway 79, the extension of the Metrolink line, and the establishment of a regional transit center.	In Progress	On April 27, 2021, the Five-Year Measure “A” Local Streets and Roads Capital Improvement Plan (CIP) or FY 21-2022 through FY 2025-2026 was approved for Riverside County Transportation Commission (RCTC) Measure “A” Local Funds Program.
Community Design CD-P-6	<b>Landscape Guidelines and Standards.</b> The City shall create Landscape Design Guidelines and update the zoning code to provide landscaping requirements for new and	In Progress	On May 7, 2019 the Planning Commission provided feedback to staff on draft Landscape Guidelines and Standards.

Community Design CD-P-8	<b>Hemet Scenic Highway Setback Program.</b> The City shall update and revise the Scenic Highway Setback manual to include California Friendly Landscape Palette, more dominant and consistent street trees, and include new scenic highway corridors as identified in the General Plan.	In Progress	The prototype was completed for the Sanderson Avenue Sun Edison project. A formal amendment will be processed when funded.
Community Design CD-P-15	<b>Metrolink Station Connection to Downtown.</b> The City shall consult with Riverside County Transportation Commission and Southern California Regional Rail Authority to establish links to a future metrolink station located north of the downtown core. Links could include pedestrian trails, transit feeder service to the station, and pedestrian-oriented urban design within the downtown core along routes leading to the station. The City also supports creation of a greenbelt adjacent to the railroad tracks.	In Progress	The Mobility Hub concept plan for the Hemet Station was completed with the Riverside Transit Authority and the Downtown Hemet Specific Plan designates the future rail line and Transit Oriented District.
Community Services and Infrastructure CSI-P-5	<b>Master Flood Control and Drainage Plan.</b> Update the City's master flood control and drainage plan or create sub-area drainage plans to identify drainage infrastructure needs and design standards. Prioritize drainage solutions and sub-area plans for the Tres Cerritos, Northwest Hemet, and West Hemet Districts.	In-Progress	The project was initiated in 2013 with Riverside County Flood Control District (RCFCD). The draft document has been prepared and is under review.  City staff meets with RCFCD staff on a monthly basis.
Land Use LU-P-26	<b>Metrolink Station and Greenbelt.</b> The City shall consult with Riverside County Transportation Commission and Southern California Regional Rail Authority to establish a commuter rail station between State Street and Buena Vista Avenue north of the downtown core, and to finalize the location, timing, environmental compliance, construction schedule, and funding so that the station is constructed efficiently and timely.	In-Progress	The Mobility Hub concept, including a Metrolink Station and bus hub, was completed in March 2018.

Land Use LU-P-30	<b>West Hemet Metrolink Station.</b> The City shall consult with Riverside County Transportation Commission and Southern California Regional Rail Authority regarding future establishment of a Metrolink station in west Hemet.	In-Progress	The Mobility Hub concept, including a Metrolink Station and bus hub, was completed in March 2018. The City received SB 2 funding for preparation of the Transit Oriented Development and Mobility Hub site. Efforts are underway.
Land Use LU-P-31	<b>MSHCP Criteria Cell Refinement.</b> Coordinate with property owners and resource agencies to pursue a criteria cell refinement for the MSHCP criteria cells within the western Hemet area in order to preserve and enhance viable habitat while allowing for a reasonable and coordinated development footprint.	In-Progress	On July 1, 2021 the city adopted Resolution 2021-038 establishing the Western Riverside County Multiple Species Habitat Conservation Plan Local Development Mitigation Fee applicable to all developments in the plan area.
Land Use LU-P-54	<b>Annual General Plan Progress Report.</b> The City shall prepare and submit a General Plan Annual Progress Report to the City Council, State Office of Planning & Research (OPR) and the Department of Housing & Community Development (HCD), in accordance with California Government Code Section 65400.	In-Progress	Scheduled for the April 18, 2023 Planning Commission meeting and the May 9, 2023 City Council meeting.
Open Space OS-P-9	<b>Preservation Design Standards.</b> Encourage the on-site preservation of attractive and significant natural resources such as rock outcroppings, viewsheds, native vegetation, and landmark trees through the development review process.	In-Progress On-going	Included in the site development standards for projects in single-family residential zones. To be added to the other zones.
Circulation C-P-13	<b>Bike Paths Required.</b> Require the provision of bike paths and trail systems in conjunction with new development. In established neighborhoods, program bike paths as part of the annual CIP process, and include with associated street projects. Design bike trails and routes in accordance with the guidelines contained in the Circulation Element and Recreation and Trails Element, and the WRCOG Non-Motorized Transportation Plan	On-going	Seek grant funding for Open Space and Trails Plans

Land Use LU-P-3	<b>Comprehensive Municipal Code Update.</b> The City shall continue to update the municipal code chapters as needed to be consistent with the goals and policies of the General Plan and to address changes in state and federal law, or the adoption of regional programs, as required.	On-going	From January 2012 through December 2021, the City has processed different Zoning Ordinance Amendments to clarify, update, and reorganize the zoning ordinance to make it more effective, consistent, and user friendly.
Land Use LU-P-5	<b>Development Mitigation Assessment.</b> As a condition of approval for all discretionary projects, the City shall require applicants to document that City performance standards for infrastructure, schools, and public services provided in the Community Services and Infrastructure Element of the General Plan are met.	On-going	Implemented through the project review process.
Land Use LU-P-7	<b>Community Collaboration.</b> Encourage community and stakeholder collaboration through town-hall meetings, early consultation with stakeholders, and maintaining an open and transparent governmental process.	On-going	The city hosts regular meetings in-person and online with community groups and other stakeholders. The city conducts community workshops on projects that are of particular interest to the community.
Land Use LU-P-15	<b>Fiscal Impact Analysis.</b> Require a fiscal impact analysis for any development project requesting public funding, revenue sharing, or infrastructure participation, and for major new developments and annexations.	On-going	Implemented through the project review process.
Land Use LU-P-16	<b>Development Review Process.</b> Continue to evaluate and improve the development review process for increased efficiency and effectiveness and revise applications, procedures, and informational materials as needed.	On-going	Implemented through the project review process.
Land Use LU-P-22	<b>Access Consolidation.</b> As part of the development review process for new construction and reuse projects, the City shall encourage consolidation of driveway access points along both Florida Avenue and State Street.	On-going	Implemented through the project review process.

Land Use LU-P-34	<b>Senior Housing Conversion Ordinance.</b> The City shall continue to enforce the Senior Housing Conversion Ordinance that requires conversion from age-restricted housing to non-age-restricted housing to undergo a public review process and pay their full fair share of impact fees for infrastructure and public services in addition to the requirement that all applicable development standards such as parking be met.	On-going	Implemented through the project review process.
Open Space OS-P-2	<b>Resource Preservation.</b> Evaluate and pursue the preservation of areas with high biological resource significance. Methods may include dedication of conservation, open space, and scenic easements; transfer of development rights; and impact fees/mitigation banking.	On-going	Implemented through the project review process.
Open Space OS-P-3	<b>Vernal Pools.</b> Protect Hemet’s vernal pool riparian habitat by ensuring appropriate criteria cell refinement and the management of natural water courses that feed native plants and wildlife.	On-going	Implemented through the project review process.
Open Space OS-P-10	<b>View Corridors.</b> During project review, analyze the project’s impact on view corridors of the mountains, slopes, significant rock outcroppings, historic and landmark trees, and other natural features for both the project location and neighboring properties.	On-going	Implemented through the project review process.
Open Space OS-P-16	<b>Conservation Planning and Agency Coordination.</b> Continue to participate and represent the City of Hemet in multi-species habitat conservation planning, watershed management planning, and water resource management planning efforts.	On-going	Both the City Council and the staff participate in regional conservation boards such as RCA and RCHCA and the Water master plan. Element Program Number	Description	Comments
Housing	<b>Housing Element.</b> Prepare the Cycle 6 Housing Element.	In progress
Land Use LU-P-8	<b>Sustainable Tourism.</b> The City shall identify key sites, locations, and activities which draw tourists for natural pursuits, and develop a plan to protect, promote, and market these resources.	Recommended as funding is available.
Land Use LU-P-9	<b>Economic Development Strategic Plan.</b> The City shall prepare an Economic Development Strategic Plan, including an analysis of the City’s per capita sales by market category and targeted industries for job growth. Identify underserved employment and retail categories and conduct a supply and demand analysis on the targeted niche. Provide a strategy to retain existing business and explore economic development opportunities to meet the city's needs for the future. Capitalize on economic development efforts already occurring in the region and form partnerships with adjacent cities, the County of Riverside, and other local organizations to enhance economic programs and funding opportunities.	Recommended as funding is available.
Land Use LU-P-10	<b>Business Assistance &amp; Retention Program.</b> The City shall create a streamlined process to improve and clarify government requirements and the development process to provide business assistance, retention and attraction. The City shall develop programs and procedures to implement City Council Resolution No. 10-049 adopting the Business-Friendly Principles of SCAG's Southern California Economic Growth Strategy, and conduct citywide staff training on customer service and economic development goals. The City will coordinate with the Chamber of Commerce, real estate professionals, and industry organizations to understand and address the business needs in the community and support entrepreneurial efforts that expand the wealth and job opportunities within the community.	The City is in the process of creating an Economic Development Manager or Economic Analyst position.  Improve Business Owner Coordination for the City of Hemet CARES Business Support Grant Program: Recommendation is to conduct a workshop to engage and educate business owners on how to qualify for the grant. The small businesses may not be good at providing items to qualify for the grant. Teach them how to apply for the grant.
Land Use LU-P-13	<b>Marketing Plan.</b> Develop a marketing plan and Economic Development Profile to promote the advantages of new business and industry locating in Hemet. Develop and implement a branding campaign to promote a new identity and image for the City, including the potential for an updated city logo.	Recommended as funding is available.

Element Program Number	Description	Comments
Community Design CD-P-6	<b>Landscape Guidelines and Standards.</b> The City shall create Landscape Design Guidelines and update the zoning code to provide landscaping requirements for new and existing development, public parkways, drainage basins, and other public use areas. Minimum required landscaping and property maintenance requirements shall also be included.	Update to the Landscape Design Standards & Zoning Code in 2023-2024 planned.
Circulation C-P-3	<b>Development Impact Fees.</b> Update Development Impact Fees to include full costs of improvements related to circulation, bike paths, and signalization.	Recommended as funding is available.
Circulation C-P-13	<b>Bike Paths Required.</b> Require the provision of bike paths and trail systems in conjunction with new development. In established neighborhoods, program bike paths as part of the annual CIP process and include with associated street projects. Design bike trails and routes in accordance with the guidelines contained in the Circulation Element and Recreation and Trails Element, and the WRCOG Non-Motorized Transportation Plan	Recommended as funding is available.  Stay notified on the development of the Salt Creek Trail Hemet Segment.  Reach out and partner with our stakeholders, such as Metropolitan Water District and Diamond Valley east recreational area working group.
Recreation and Trails RC-P-2	<b>Quimby Fees.</b> Review Quimby Act fees on an annual basis to ensure that the in-lieu fees are appropriately determined and applied.	Recommended as funding is available.
Recreation and Trails RC-P-6	<b>Off-road Trails.</b> Identify unpaved trails in Simpson Park for use by mountain bikers and hikers. Work with residents, biking and hiking groups, service organizations, and environmentalists to encourage a maintenance schedule for these trails.	Recommended as funding is available.
