 Business Address: _____

Why do you wish to serve the City? I have lived in Hemet for 30+ years and was married to a 5th generation Hemetonian who served on Council. Hemet is a great city and we strive to keep it that way. Public safety rightfully has garnered much of the attention and resources but other areas continue to need ambassadors that will help attract the best community members.

What experience or education have you had relative to this field? Finance and Accounting BA degree laid the foundation along with 30+ years of working with N.A. governments allows me to be able to start with experience and knowledge on most issues facing Hemet. Having been involved for the past 6+ years in each agenda brings familiarity. I have managed \$100M+ budgets and \$\$\$ construction projects. I regularly presented to community members as well. Public understanding is important.

In your opinion what are the most important issues facing the City of Hemet? One of the important traits of a City as old as Hemet, is the precedent and historical climate it has created. Habits are sometimes tough to break. Hemet in many ways is not "the Old Town" as much of the population growth has occurred in the last few decades. Hanging on to the old values, while catering to the new population has created some significant issues that need focus.

What vision do you have for the future of the City of Hemet? Hemet needs to be a thriving, healthy city. With the addition of almost 7,000 homes in the next few years likely raising the population over 100,000, Hemet needs to prepare for that reality and not settle for the "Oh that's Hemet" mentality. Hemet is unique in many ways and can thrive.

Please provide any additional information or comments you feel would assist City Council in considering your application. I have a fairly good relationship with most the County of Riverside Supervisors and also staff in many departments. Working together will help bring resources back to Hemet. Hemet should not just be a contributor.

Please provide a resume for this application. (optional)
