What is the Mayor Mentee Program?

The Mayor Mentee Program is designed to lead a group of students through an intensive introduction to local government. Students who participate in the Mayor Mentee Program will be empowered to impact their community by honing in and developing their career goals, volunteerism, problem solving, including how to develop policy recommendations, courses of action, and becoming fully engaged community members.

Purpose & Specific Objectives

The purpose of the Mayor Mentee Program is to provide career opportunities that will provide work skills the student can use to explore career options in municipal government.

Who Can Apply?

Students who are looking to jump start their career in public service, municipal government, or wanting to make an impact in their community by working alongside the Mayor and City leaders to develop their career and educational goals.

How to Apply

Application forms will be made available for all students interested in being part of the Mayor Mentee Program. The Application is included in this brochure or visit:
